

### **REMARKS**

Applicant respectfully requests that this amendment be entered. This amendment corrects minor wording and typographical errors in the claims. Specifically, a typographical error in the examiner's amendment in claim 87 is corrected so that claim 87 depends from claim 86 rather than claim 84. Additionally, a couple amendments are made to claims 124 and 126 to recite "the established single reservation protocol session" rather than "the established reservation protocol session", and to claim 84 to clarify the "graphical user interface" is the "GUI".

Respectfully Submitted,
